Home Care Worker

We are an expanding team looking for Health Care Assistants to provide care for clients in their own homes. This can include anything from palliative care, personal care, learning disability care, sit ins, personal assistant or just home support for individuals i.e. post op, and to undertake other activities as required.

This role would be perfect for those who love interacting with other people, working alone and as a team, those who look to climb their career ladder in a growing company with plenty of future opportunities. Or even for those who have some spare time that would like to pick up some extra hours.

This will be under a Zero hour contract – which will give you all the flexibility that you require. This job role will essentially involve travelling and driving would be preferred, If you are a non-driver and confident you'll be able to travel via Walking, cycling or public transport then please do feel free to apply.

Working for us will be a great opportunity, we have many different hours available to suit your needs, holiday pay and other benefits. We take time to have team building days and social events for the team. To join our fantastic team we would essentially like experienced care workers with NVQ's or Diploma. We understand some

people wish to join the care industry with no experience, if that is you then we will be happy to meet you and see how we can get you into the sector with our guidance and training.

When we have received successful and approved references we would like for you to apply for a DBS (formally CRB) this is generally at your own cost if you do not have an existing portable DBS.

We feel and need that everyone who works for Platinum Care Solutions to have the highest standard of training, we organise a fully qualified trainer to visit our premises on a monthly basis to conduct a 3 day training course.

Rates of pay are between **£8.15** and **£9.20** per hour/call out.

Live-in Care Workers are employed to work with service user on a 1 to 1, 24 hour basis to provide care and support to the service user as detailed specifically in the care plan provided.

Your role as a live in care worker will mean keeping a person centred approach, allowing as much independence as possible & having a respectable, professional relationship with the service user, ensuring all confidentiality and respect is met.

Your duties will vary from personal care to shopping, light duty house work to providing companionship.

Very competitive pay rates.
